

US Coast Guard Cutter Acacia (WLB 406)

Sponsorships and Donations:

A naming gift to the American Academy of Industry provides a highly visible, timeless tribute to an individual or individuals whose life deserves recognition and commemoration. A variety of areas of the Acacia remain available for dedication. Each dedication will be recognized in the appropriate locale, and the name of the benefactor included on The Founder's Wall. Gifts may be made by a pledge and are payable over a number of years. Please contact us for details.
